**I** La linea TOOD è il risultato di oltre 30 anni di esperienza maturata da Tood S.r.l. nel settore della produzione e commercializzazione di articoli per negozi di ferramenta, fai da te e grandi catene di distribuzione. La linea di prodotti TOOD, progettati per fornire soluzioni avanzate per lo stoccaggio e il trasporto di attrezzature e strumenti da lavoro, risponde al concetto primario di un utilizzo pratico, arricchito dal design esclusivo e accattivante. Gli articoli TOOD sono destinati agli amanti del bricolage e a chi lavora nei cantieri, nelle officine, agli artigiani, proponendo soluzioni su misura per ogni esigenza specifica, per l'uso domestico e professionale. Gli articoli TOOD sono attualmente distribuiti nei Paesi

**F** La ligne TOOD est le fruit d'une expérience accumulée depuis de 30 ans d'activités par Tood S.r.l., dans le secteur de la production et de la commercialisation d'articles pour les quincailleries, les magasins de bricolage et la grande distribution spécialisée. La gamme de produits TOOD, conçue pour offrir des solutions de pointe pour l'entreposage, le transport d'équipements et d'outils de travail, répond au concept primaire d'une utilisation pratique valorisée par un design exclusif et attrayant. Les articles TOOD s'adressent aux bricoleurs domestique et aux bricoleurs affirmé, aux chantiers, aux ateliers, aux artisans, en proposant des solutions personnalisées selon chaque exigence spécifique, pour le particulier et pour le professionnel. Les articles TOOD sont aujourd'hui distribués dans les pays du Marché Européen, dans les principales chaînes de vente spécialisées et dans la grande distribution ainsi qu'auprès des grossistes et des meilleurs points de vente. Le projet modulable et le «fill all spaces» (remplir tous les espaces) sont les

del mercato europeo, nelle principali catene di vendita specializzata così come ai grossisti e nei migliori punti vendita. Con l'ampliamento della gamma Space, TOOD si rivolge ad un settore di mercato fino ad oggi non servito, presentando una nuova gamma di carrelli, bauli, valigette e porta minuterie all'avanguardia per il design, la robustezza, l'utilizzo e le particolarità innovative. La gamma Space offre una serie di porta attrezzi rivolti all'utilizzatore professionale ed è adatta allo stoccaggio ed il trasporto di ogni sorta di attrezzature ed utensili. Ogni articolo della gamma Space è prodotto con materiali di prima scelta e studiato in ogni suo dettaglio per ottimizzare gli spazi e facilitarne il trasporto.

deux philosophies qui se retrouvent dans la gamme des produits TOOD. Grâce à ces concepts, les produits sont modulables à volonté entre eux et peuvent être utilisés en différentes combinaisons, à personnaliser selon le désir de l'utilisateur final. La gamme de Rangement TOOD, simple élément de rangement, ou atelier complet, se reconnaît toujours et offre un fort impact visuel. La gamme des produits accessoirisés représente également une interprétation unique du concept de Boîte à outils complète dans le secteur des magasins de bricolage. Elle offre, dans les espaces de vente, des porte-outils et des accessoires de première qualité, dans des emballages-coques préformés qui facilitent et simplifient la recherche des produits. Nous avons subdivisé ce catalogue en quatre secteurs: nouveautés et introduction des gammes et trois nouvelles parties spéciales qui décrivent les techniques spécifiques et tout ce qui est nécessaire pour connaître les détails de la logistique et de la distribution. Nous vous souhaitons une bonne lecture.

**EN** The TOOD line is the result of over 30 years experience gained by Tood S.r.l. in the hardware articles production and marketing field, DIY and large-scale distribution.

Born to offer advanced solutions for the storage and transport of equipment and work tools, the TOOD product range matches a primary concept of functionality enhanced by an exclusive and captivating design. TOOD articles are aimed at domestic and advanced DIY persons, work sites, workshops and craftsmen, with solutions personalised for every specific requirement, both private and professional. Nowadays, TOOD articles are found in countries belonging to the European markets, in the main specialised sales and large-scale distribution chains as well as with wholesalers and the best sales outlets. Project modularity and "fill all spaces" are the two philosophies that merge in the TOOD product range.

**D** In der Linie TOOD stecken über 30 Jahre Erfahrung, die die Firma Tood S.r.l. in der Herstellung und der Vermarktung von Artikeln für Eisenwarengeschäfte, Heimwerkermärkte und große Vertriebsketten gesammelt hat.

Die Produktlinie TOOD, die moderne Lösungen für das Verstauen und den Transport von Werkzeugen und Arbeitsgeräten umfasst, ist primär auf einen praktischen Gebrauch ausgerichtet und durch ein exklusives, ansprechendes Design veredelt. Die Artikel TOOD richten sich an die Liebhaber des Do-It-Yourself sowie an alle, die auf Baustellen, in Werkstätten und Handwerksbetrieben tätig sind. Sie alle finden maßgeschneiderte Lösungen für alle spezifischen Anforderungen in Haushalt und Gewerbe vor. Die Artikel TOOD werden derzeit in den europäischen Ländern über die größten Spezialvertriebskanäle ebenso vertrieben, wie über den Großhandel und den gut sortierten Einzelhandel. Das Baukastenprinzip und die Ausnutzung sämtlicher Staumöglichkeiten, das sogenannte "fill all spaces", sind zwei Philosophien, die im Produktspektrum TOOD auf ideale Weise verschmelzen.

**E** La línea TOOD es el resultado de más de 30 años de experiencia adquirida por Tood S.r.l. en la producción y comercialización de artículos para ferreterías, bricolaje y grandes cadenas de distribución. La línea de productos TOOD, diseñada para ofrecer soluciones avanzadas para el almacenamiento, transporte de equipos y herramientas de trabajo, responde al concepto primario de uso práctico, enriquecido por el diseño exclusivo y atractivo. Los artículos TOOD están destinados tanto a los amantes del bricolaje como a los que trabajan en obras, talleres, artesanos, ofreciendo soluciones a medida para cada necesidad específica, tanto para uso doméstico como profesional. Los artículos TOOD se distribuyen actualmente en los países del mer-

Thanks to these concepts the products are characterised by their extreme inter-modularity, and can be utilised in combinations customisable at will by the end user. The TOOD tool holder, be it a simple organiser or an entire workshop, is always recognisable and has excellent visual impact.

Furthermore, the accessory-equipped products range represents a unique interpretation of the tool holder concept in the DIY sector, integrating superior quality utensils and accessories in practical pre-shaped blisters within the tool holder spaces, making product searching simple and effective.

The catalogue has been divided into four areas: novelty and range introduction and three specific descriptive areas dealing with technical specifications and everything that should be known on the particular logistic and distribution aspects. Enjoy your reading.

Diesen Konzepten ist es zu verdanken, dass die Produktmodule fast nach Belieben austauschbar sind und sich vom Endkunden nach Belieben individuell kombinieren lassen. Die Werkzeugaufbewahrungssysteme TOOD sind, gleich ob es sich um einen einfachen leeren Sortimentskasten oder ein bereits bestücktes Aufbewahrungskomplettsystem handelt, stets wiedererkennbar und ein echter Blickfang.

Außerdem bilden die Produkte, die beim Erwerb bereits mit Zubehör bestückt sein können, eine einzigartige Interpretation des Werkzeugaufbewahrungskonzepts im Heimwerkerbereich. Hochwertige Werkzeuge und Zusatzausstattungen werden in praktischen vorgeformten Blistern innerhalb der Werkzeugaufbewahrungssysteme platziert, was die Produktsuche einfach und erfolgreich gestaltet. Der Katalog ist in vier Bereiche gegliedert: ein Abschnitt behandelt die Neuheiten und führt in das Produktsortiment ein, drei spezifische Abschnitte beschreiben die technischen Einzelheiten und alles, was man über die besonderen logistischen und vertriebstechnischen Aspekte wissen sollte. Viel Spaß beim Lesen!

cado europeo, en las principales cadenas de venta especializadas, así como a mayoristas y en los mejores puntos de venta. Con la ampliación de la gama Space, TOOD se dirige a un sector del mercado que aún no ha sido atendido, presentando una nueva gama de talleres móviles, arcones, maletas y portapiezas de pequeño tamaño a la vanguardia del diseño, la robustez, el uso y las características innovadoras.

La gama Space ofrece una serie de portaherramientas para usuarios profesionales y es adecuada para el almacenamiento y transporte de todo tipo de equipos y herramientas.

Cada artículo de la gama Space está fabricado con materiales de primera calidad y estudiado en todos sus detalles para optimizar el espacio y facilitar el transporte.
